**REFERENCE LETTER FOR VALLEY POOL AND SPA**

TO WHOM IT MAY CONCERN

0460463B.C. LTD. o/a SPARKLING HILL RESORT contracted with Valley Pool and Spa for the construction and commissioning of the pool facilities for this unique hotel and wellness center in Vernon, B.C.

This project was under very tight timelines and restrictive site conditions and Valley Pool and Spa performed their scope of work within the agreed time, budget and quality constraints.

We have found Valley Pool and Spa to be very experienced, organized and proactive in identifying and solving problems. They work well as a member of the construction team and are helpful and cooperative when dealing with other trade contractors.

Their management and site personnel conducted themselves very professionally in all their interactions with the Client, Consultants, Construction Management and Trade Contractors.

Based on our experience with Valley Pool and Spa we would not hesitate to recommend their services to others.

If you have any questions, please feel free to call me at 250-275-1556.

Yours truly,

Bob Tetreau  
Project Manager
