**RE: VALLEY POOL AND SPA INC.  
Letter of Reference**

Please accept this letter of reference regarding our positive experiences with Valley Pool and Spa Inc. Since opening our Kelowna office over 10 years ago, we have completed several successful projects, both commercial and residential, where Gene Brown and his staff completed the pools, spas and hot tubs. We have always found Gene and his staff excellent to work with. They have met or exceeded our expectations with respect to competitive pricing, quality, maintaining a project schedule and safety, and we would have no reservations whatsoever recommending them for similar projects.

Please contact the undersigned should you have any questions or concerns.

Yours truly,

**PCL CONSTRUCTORS WESTCOAST INC.**
